

# Immersion Committee End of Year Report

---

*Fall 2015 – Spring 2016*

- Pending faculty governance, Immersion Vanderbilt will become a degree requirement for students entering in fall 2018.
- The success of Immersion Vanderbilt is best ensured by a gradual implementation timeline that embraces the existing campus culture towards experiential learning.
- The conceptual timeline for implementation of Immersion Vanderbilt is comprised of three key phases:
  - Vanderbilt already provides a robust offering of immersive experiences for its students. Immersive learning is a key tenant of many degree

- Special student populations should be considered as the program is developed.
- The Laboratory Science Immersion Subcommittee was convened and charged with developing the b
